

Pursuing Intimacy

Women's Convention 2019 16th-18th August

The convention commences on Friday evening at **7.00 pm** with a time of fellowship and coffee, followed by the first session at **8.00 pm**. The evening meal is not provided on Friday night, but meals are available in the township of Cowes. The convention concludes after lunch on Sunday.

Speaker: Heather Packett

Heather is a vibrant, down to earth communicator who has been preaching and teaching for the past two decades. Her passion is to see God's people released into their full potential, finding fulfilment by living lives of obedience to him.

Whatever the forum, Heather brings a message relevant to those seeking to live a life marked by sound understanding of the character of God. Her speaking style is conversational and engaging, yet packs a punch. Younger audiences appreciate her 'no nonsense' humorous style, which allows her to speak truth into the 'grass roots' of life —where people feel real struggles and challenges. Her desire is to influence well, and see God intersect and bring transformation that lasts.

This weekend is a time to unplug from the hectic pace of life, while being with other like-minded Christians in a space conducive to spending time with God.

As we each feed on the Word, Heather's teaching will facilitate greater intimacy and authenticity. Each person is able to be refreshed and take joy back into their family and life, being a blessing to all those around.
